Question Four

**What happened
on August 14, 2003,
at 4:12pm which
directly affected the
lives of over ten
million people living
in Ontario, and forty
five million people
in the USA?**

The background of the slide features a silhouette of the CN Tower and other city buildings against a sunset sky. The tower is the most prominent feature on the left side. The sky transitions from a dark grey at the top to a bright yellow at the bottom, where the word 'BLACKOUT' is written in large white letters.

The *Great Northeast Blackout of 2003* was a widespread power outage throughout parts of the Northeastern and Midwestern United States, and most of Ontario. It lasted for approximately eight hours.

BLACKOUT
